

INFORMATION– STATE GRADE LEAGUE – Season 2

Teams of players are made up by the pennant committee from players who have completed and submitted a nomination form for State League. [State Grade - Season 2 Registration Form](#) These teams are made up in such a way to ensure that, as much as possible, all teams are of equal strength.

Where possible, we will endeavour to place players from the same clubs together, as long as it does not jeopardize the integrity of the grading.

All teams will be playing at the same venue each week. This venue, which changes weekly, is determined by the number of players nominated from each club.

There is still a home and away team, the home team (team mentioned first on the fixtures) supplying supper for the away team.

We do run a reserves list for players who are unable to commit full time but would like to reserve only.

All teams and fixtures are emailed directly to the players prior to the start of the season and will be on SportyHQ.

There is an overall champion club at the conclusion of each season. This being determined by the results of players registered to their home (Primary) clubs.
