You will then receive an email containing a link for you to click on to confirm your registration. Click on the 'Renew Membership' button:

You will be taken back to Revo and will see the SqA ID field has been populated. Click 'Next Step':

A registration form titled 'Registration' with a blue header. The form is at 'Step 1/6: Get started' and has a 'Start again' link. The form fields are: 'SqA ID:' with the value '153681' and a note '(If not known, leave blank)'; 'First name*' with the value 'Serena'; 'Last name*' with the value 'Richardson'; 'Date of birth*' with fields for '20', 'May', and '1981'; and 'Gender identity*' with radio buttons for 'Male', 'Female' (selected), 'Non-Binary', and 'Differently identify'. A blue 'Next step' button is at the bottom, circled in red.

On the next screen, select your membership level.

It is very important that you select the same level of membership you have with your other club. If you choose a lower level, you will become that lower level at your first club and potentially not be able to sign up for any events or competitions.

You will not be charged the 'capitation' fee component a second time. That is payable once per financial year per person and is the fee that goes to your state and national association to help them operate. The only fee you pay when you join a second club, is that second club's club membership fee.
