“Our Vision is to be the complete sport and fitness solution for all.”

Mission Statement

‘Growth in participation and development, effectively managed.’

- To provide a strong foundation for the growth of participation, and for the effective development, of Squash players in WA
- To ensure the sport of Squash is managed in a way that ensures the viability of the provision of the game in the long-term in WA

Strategic Objectives

Participation and Growth

To promote and facilitate the expansion of player and community participation in Squash at all levels, enhance the quality of the participation experience and ensure the provision of Squash over the longer term in WA.

Development

To assist in developing the people in Squash, the performance levels they achieve, and the profile of the sport in the community in WA.

Effective Management

To effectively and responsibly manage the Association in a way that optimises resources – human, financial and physical – and organisational competences for the long-term success of the Association. To ensure the management of effective relationships with all stakeholders and to ensure that the Association remains flexible and responsive to change.

STRATEGIC PLAN 2022 - 2027

"SQUASH IS THE ULTIMATE
RECREATIONAL ACTIVITY FOR ALL
AGES AND ABILITIES TO HAVE FUN AND
IMPROVE THEIR HEALTH AND FITNESS."

Department of
Local Government, Sport
and Cultural Industries

WWW.SQUASHWA.COM.AU

1

THE BOARD AND GENERAL MANAGER

We are proud to present the Squash WA Strategic Plan for 2022-2027.

This plan is the result of statewide consultation conducted at all levels of our game over the past 12 months, engaging members and stakeholders from across our sport.

The input of partners, regions, clubs, operators, players, referees, officials and volunteers has been invaluable and ensures that this plan will empower participants at all levels to take control of their squash destiny, shape their journey and make squash the complete sport and fitness solution for all.

- Ryan Callegari, President and Leigh-Anne Kaye, General Manager

Our VISION To be the complete sport and fitness solution for all.

Our PURPOSE To provide support for all to be healthy through squash.

We VALUE Collaboration Innovation Communication

WWW.SQUASHWA.COM.AU

Department of
Local Government, Sport
and Cultural Industries

2

OUR PLAN

Our Strategic Plan is built around four key strategic pillars.

Defined within each, are the goals and strategies that will drive a series of outcomes for the respective pillars, facilitating our ability to be sustainable and grow. The ability to focus our energies on these pillars will enable our organisation to further strengthen the pathway towards sustainable success for squash in Western Australia.

1 Participation

2 Facilities

3 Club Development

4 Capacity & Capability

WWW.SQUASHWA.COM.AU

3

PILLAR 1 PARTICIPATION

RETENTION and CONVERSION
Maximising the potential player group

- Expand school programs and convert participants into players.
- Retain players through engaging experiences at active clubs.
- Provide excellent experiences for all participants, using feedback to continually improve products and services.
- Assist clubs and centres to create materials around participation and club benefits at front desks, combined with an availability of primary club contacts.

NEW and EMERGING MARKETS
Exploring and growing player groups

- Adapt and create products to engage subsets of the population which are under-represented.
- Grow events and competition through a variety of products across a participant matrix.
- Innovate to specifically target returning players.
- Create programs which remove barriers to squash accessibility and cater for all abilities.
- Encourage and celebrate diversity across all levels and volunteers.
- Support the development of squash in unaffiliated sites.

PATHWAYS Clear and connected paths for participants, coaches and officials to achieve their highest level across the state.

- Publish clear pathways for the progression of participants, coaches and officials.
- Provide opportunities and systems for talent identification, development, high performance and state representation.
- Create opportunities for the progression of all participants.
- Create opportunities for competition at all levels.
- Assist high performance teams and individuals to perform consistently against their targets.

EVENTS and COMPETITION
Creating 'must play' events and competitions for all.

- Innovate with technology to continually improve events and competition, bringing them to wider audiences and geographic areas.
- Deliver competition and events to the highest standard.
- Schedule events and competition to maximise engagement of all participants.
- Expand competitions and events across the state to engage groups at new centres.
- Communicate with Clubs and players on opportunities for participation.

WWW.SQUASHWA.COM.AU

4

PILLAR 2 FACILITIES

PLANNING and INFRASTRUCTURE Influencing the development of facilities for squash

- Assist to retain and modernise squash infrastructure in WA.
- Work with State and Local Governments to create opportunities for facilities.
- Establish government-owned 8-court squash hubs in the Northern, Eastern, Southern and Western corridors of Metropolitan Perth.
- Align infrastructure development with growth in participation and populations.
- Expand existing facilities to actively cater for multi-sport options.
- Engage the private sector to improve opportunities for squash activities.
- Engage with owners and operators to ensure that the needs of squash can be met now, and into the future.
- Support the development of facilities which are accessible to all.

STATE CENTRE Secure a base for squash in WA

- Establish a home for Squash WA to administer the sport, and deliver Squash WA programs and events.
- Provide a state-owned, well-equipped, modern 16-court facility capable of hosting local, national and international events.
- Create a facility which celebrates the history of our sport in WA.

EXPERTS IN DESIGN Knowing how courts should be built, maintained and located

- Develop guidance material on what constitutes a desirable environment of modern, high quality facilities for establishing and operating a squash club.
- Be the experts in modelling and building squash court infrastructure.

WWW.SQUASHWA.COM.AU

5

PILLAR 3 CLUB DEVELOPMENT

BUILDING and ENABLING Supporting our Clubs across WA

- Create a set of resources and materials for the successful management of clubs.
- Provide a centre of expertise for coaching, refereeing, volunteers and professional development for squash.
- Assist to create new clubs in unrepresented facilities.
- Provide tools and resources for game enhancement.
- Communicate to players and members in a modern format.
- Support clubs to create value propositions for their membership and innovative to attract players.
- Grow volunteers to support squash and clubs across the state.
- Celebrate the contribution of volunteers to squash in WA.

STAKEHOLDER ALIGNMENT We are all on the same page

- Strengthen alignment between all stakeholders of squash.
- Assist Clubs in dealing with key stakeholders such as Local Government, Squash Australia, Sport Australia, other clubs etc.
- Orientate marketing towards maximising the customer experience for players and culture building for clubs.

ADMIN and GOVERNANCE Support to running a successful Club

- Establish support and resourcing for governance, planning, volunteer management and administration of Clubs.
- Provide a centre of expertise to guide applications for grant funding and other assistance.

WWW.SQUASHWA.COM.AU

6

PILLAR 4 CAPACITY & CAPABILITY

PARTNERSHIPS Establish a portfolio of partners contributing to the success of the sport.

- Establish partnerships for major programs and events.
- Strengthen the Government's support of squash.
- Develop a squash economy by partnering with business, tourism and government agencies to maximise the economic benefits of squash for WA.
- Affiliate to benefit the strategic objectives of squash in WA.
- Identify opportunities to grow benefits for squash through grants.

PROFILE and COMMERCIALISATION Ensure sustainability through commercialisation of participant programs, events and infrastructure.

- Establish sophisticated marketing plan and strategy across all programs and events.
- Develop a brand investment framework to maximise partnerships.
- Develop and maximise our data capture capabilities.
- Establish and promote squash as a fast, exciting and inclusive sport.
- Continue to enhance the visibility of squash.
- Maximise use of State Squash Centre through a commercial arrangement.

TECHNOLOGY Leverage technology to create efficiencies and new opportunities

- Allow clubs and SWA to engage with participants using a smart Customer Relationship Management system and tools.
- Capture accurate membership and participant details through technological platforms to improve the position of squash.
- Create connections between our technology, marketing, sales and communications platforms.
- Improve the use of technology to support business activities and operations, including the web, social media, and squash profile.

GOVERNANCE and SUSTAINABILITY Positioning the organisation for sustainable growth well into the future.

- Develop the infrastructure to support delivery of our priorities through a strong governance framework and supporting culture.
- Ensure a strategic, long term view of squash is established to plan into the future.
- Invest in our people and resourcing to engage skills and deliver outcomes.
- Develop and implement a funding model which is sustainable and reflective of the participation group.
- Create governance documentation to manage the sport of squash in WA.
- Create value proposition for member clubs as affiliates.

President's Report

To the squash community of WA,

It is great to be able to reflect on an amazing year of highlights, particularly with a jam-packed event calendar which included hosting the 2024 Australian National Championships for the first time in over 30 years! Proudly this was held in a building with new floorboards, walls, lighting, toilets, kitchen and other amenities!

As we took over the operation of the State Squash Centre during the year, I would like to express sincere thanks to the Belmont Saints Squash Club, who not only saved the building from demolition, but ran it for 5.5 years whilst the Association created an opportunity to secure and resource the renovation of the 50 year old asset. Throughout this time the Club has continued to provide outstanding support to the staff of Squash WA in redeveloping the

building, which now reflects a modern facility which is capable of hosting national events, such as the Australian National Championships in June. The list of works which were undertaken this year is phenomenal, and testament to the fantastic partnership between the Club and Squash WA.

Whilst the upgrades to the State centre roll on, we continue to advocate for new facilities elsewhere. The City of Busselton are finalising their Long Term Financial Plan which will place Busselton Squash at the top of their Sports and Recreation infrastructure priorities for 2025/2026. This was made possible through the collaborative efforts of the state and club to embark on an independently contracted needs & feasibility study earlier in the year. We hope to see Busselton become a modern template for many Local Government funded/delivered Squash projects in the future as governments come around to the real story of Squash, and the benefits it can provide to the wider community.

“Thank you to Sub-Committees and Member Club Committees who put in hundreds of hours to create great experiences for players.”

The staff of Squash WA, led by General Manager Leigh-Anne Kaye, continue to do an outstanding job of delivering our sport, and it is very clear to me why she won Squash Australia's 2023 Administrator of the Year, and why Western Australia won 2023 State/Territory of the Year. This very small team churn out an astounding amount of work and provide a very high level of support to our Members on a daily basis.

The Association's biggest challenge continues to be our migration from SportyHQ to the RevolutioniseSPORT (Revo) platform for our membership and competition management. A huge note of thanks to everyone for hanging in there, and working patiently and collaboratively in this space. We are confident that the transition will unlock a lot of opportunities for our sport for years to come.

Thank you also to our volunteer Board, Sub-Committees and Member Club Committees who put in hundreds of hours to create great experiences for players. Your passion and enthusiasm for squash is inspiring and we would not be able to achieve what we do without you! Proof of these efforts has led to a substantial funding increase from our key stakeholders at the Department of Local Government, Sport and Cultural Industries and Healthway, which is reflected in the 2025 budget. DLGSC has been critical to our success in securing key events and competitions for our players, as well as core funding for our sport.

Finally, I would like to make special mention of Sue Hillier's 4th WSF World Masters Squash title in Amsterdam! This is a phenomenal achievement – well done Sue!

Also, the incredible performances at home and abroad by top WA juniors Daniel Marsh and Hannah Slyth who continue to do us proud as members of Australian Teams; and Remi Young, Erin Classen and Pascale Louka who continue to travel around the world, improving their squash and world rankings.

It has been a privilege to serve as your President for 2024 and I look forward to continuing to contribute to our sport.

Ryan Callegari

President

General Manager's Report

Squash in WA has enjoyed an action packed 2024. It was filled with success, challenges, improvements and losses, but overall, Squash was a winner in 2024.

We continue to see new faces in centres, competitions, and junior programs – a testament to all the hard work put in by staff, Board and our small but mighty army of volunteers.

The Olympics announcement came at the perfect time for us in WA, as this was the beginning of many firsts in a long time for us.

WA Open International and Australian National Championships

Western Australia became the Mecca of squash in Australia in June with three major events running back-to-back. On the first weekend of June the Golden Open took place in Kalgoorlie and attracted 135 players along with a full cast of Professional Squash Association (PSA) players.

The following weekend saw the biggest WA Open tournament in 30 years take place with just over a cool 200 players, including the PSA players ...and just when we were about to take a breath, the Australian National Championships were upon us which saw the top male and female players in Australia vying for glory and national team selection.

State Masters Championships

Squash WA ran our first State Masters Championships in many years. The event managed to attract 93 entries. More than half of the players were in the younger brackets between 35 and 50 years of age. Presentations were followed by delicious food, a few drinks and loads of laughter and camaraderie; something the squash community in WA is renowned for.

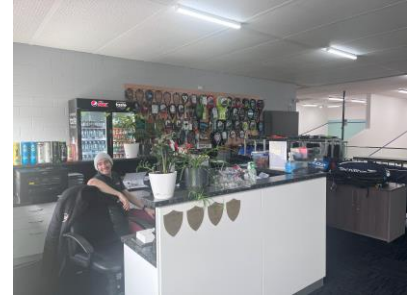

State Junior Championships

The individual's event took place at the end of June at the State Centre in Belmont, entries were at a 10 year high of 73, with 139 matches played.

State Centre Upgrades

Significant upgrades continue at the State Squash Centre, Belmont. We will soon be installing an elevator, level 1 balcony, and more.

Other successes this year was building on our junior pathway by introducing Zone Squads. Our junior pathway is gaining momentum, and the selection of both Division 1 and Division 2 State Teams is testament to our increasing junior cohort.

As with many of the States, we faced a few challenges.

- Two of our Metro centres were closed this year after being sold to investors.
- The Revo roll out caused a lot of frustration and confusion within the squash community, but WA continued to lead the roll out and do the best we can under the circumstances, a tribute to the resilience of WA members.
- Engagement with schools has been steady, which is challenging when many of our other indicators are trending up.
- Pennants (Metro) continues to be challenging due to the heavy resource load and lessening of player commitments. We have maintained our pennant numbers and will continue to drive this side of our participation.

“Western Australia became the Mecca of squash in Australia in June with three major events running back-to-back.”

Overall, 2024 was an amazingly successful year for Squash in Western Australia. The growth and buzz could not have happened with the support of Sponsors, Department of Local Government, Sport and Culture Industries (DLGSCI), City of Stirling, Healthway, Squash Australia and numerous local sponsors throughout the year. Whilst

I may be General Manager, these successes could not have happened without my amazing colleagues in Serena Richardson, Roxy Edery (in the office) and a hands-on Board. Finally, the biggest thank you goes to our volunteers... the most amazing people who choose to be part of the solution to growing squash in WA, instead being part of the problem. THANK YOU!

Leigh-Anne Kaye
General Manager

Engagement Report

We've definitely gained a huge amount of traction this year, engaging with more and more people, young and old, *outside* of the squash community. For every child we entice into our sport, we're often also met with a snowball of parents, siblings, grandparents, school friends and more, getting involved.

My focus for next year will shift more towards grant applications and acquittals, marketing, and events, and less of the juniors/schools area as recruitment is underway for a Junior Development Officer. The thing I'll miss most is running Junior Pennants and getting to watch the kids become stronger and more confident each week, and seeing their faces light up when they start to get a few wins under their belt! 😊

Serena Richardson

Engagement Officer

“For every child we entice into our sport, we’re often also met with a snowball of parents, siblings, grandparents, school friends and more.”

Now to business...

- Between January and December 2024, each month our electronic version of the SWAN is opened up to 2,000 individual times, with 'Read More' buttons clicked up to 500 times.
- We continue to attract new followers on social media with 1,141 on Facebook and 748 on Instagram.
- TikTok (if you're my age or above you may not know what this is!) has far surpassed both Facebook and Instagram, so this is an area we will start to look at in 2025. We're very keen to hear from any TikTokers out there who have a bit of time to help us put content together!
- The demand on our school programs has increased, with the number of individual schools we are delivering programs to growing each year. In the last two years we've gone from 20 to **22** secondary schools, and 34 to **56** primary schools.
- Throughout 2024, 8,468 Perth Metro and 520 Country WA primary students were introduced to squash via our Inflatable Mini Squash program. 1,504 Perth Metro and 119 WA Country secondary students were likewise introduced via our Just Squash It centre sessions. This is **10,611** students in total.
- Over the year, more than **400** children scanned the QR code on the wristband they received for participating in one of our school programs, completed an online quiz relating to healthy food and drink options (to align with Healthway messaging), and been sent information about their nearest participating facility. We were actually finalists for Sportwest's 2024 'Initiative of the Year' award for this one!
- We started spreading the word about our inflatable courts to as many event providers and LGAs we could reach, which has been very well received. Along with being a permanent activity provider at the Senior's Recreation Council Have a Go Day, we have also secured the same at the annual Hyde Park Festival, and a few others are in planning phase through Town of Vic Park, City of South Perth, City of Wanneroo, and City of Perth (Elizabeth Quay!) which will provide a HUGE amount of exposure for squash.

Serena Richardson

Note 1: Summary of Significant Accounting Policies

Basis of Preparation

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the *Associations Incorporations Act*. In the opinion of the committee the association is not a reporting entity because it is not reasonable to expect the existence of users who rely on the association's general purpose financial statements for information useful to them for making and evaluating decisions about the allocation of resources.

The financial report has been prepared in accordance with the *Associations Incorporations Act*.

The association has concluded that the requirements set out in AASB 10 and AASB 128 are not applicable as the initial assessment on its interests in other entities indicated that it does not have any subsidiaries, associates or joint ventures. Hence, the financial statements comply with all the recognition and measurement requirements in Australian Accounting Standards.

The association has not assessed whether these special purpose financial statements comply with all the recognition and measurement requirements in Australian Accounting Standards. The financial report has been prepared in accordance with the Accounting Policies disclosed below.

The financial report has been prepared on an accrual basis and is based on historical costs.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Accounts Receivables and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

(b) Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

Squash Rackets Association of Western Australia (Inc)
Trading as WA Squash
ABN 59 134 295 708

Note 1: Summary of Significant Accounting Policies (continued)

(c) Impairment of Assets

At the end of each reporting period, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

(d) Employee Benefits

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

(e) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

(f) Revenue and Other Income

Revenue from the following sources is recognized as follows:

- **Registration Revenue:** Recognized on receipt of income and when the members pay their fees.
- **Tournament Revenue:** Revenue is recognized at the time of the event and when the fees are collected.
- **Cour Hire and Squash Sales** – Recognized at the time of the hire of the court and the fees are paid. Revenue from sale of goods (Drinks and Confectionary) is recognized when the goods are customer.

• **Contributed Assets**

The association receives assets from the government and other parties for nil or nominal consideration in order to further its objectives. These assets are recognised in accordance with the recognition requirements of other applicable accounting standards (eg. AASB 9, AASB 16, AASB 116 and AASB 138).

On initial recognition of an asset, the association recognises related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer). The association recognises income immediately in profit or loss as the difference between initial carrying amount of the asset and the related amount.

Squash Rackets Association of Western Australia (Inc)
Trading as WA Squash
ABN 59 134 295 708

Note 1: Summary of Significant Accounting Policies (continued)

• **Operating Grants, Donations and Bequests**

When the association receives operating grant revenue, donations or bequests, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance with AASB 15.

When both these conditions are satisfied, the association:

- identifies each performance obligation relating to the grant
- recognises a contract liability for its obligations under the agreement
- recognises revenue as it satisfies its performance obligations.

Where the contract is not enforceable or does not have sufficiently specific performance obligations, the association:

- recognises the asset received in accordance with the recognition requirements of other applicable accounting standards (eg. AASB 9, AASB 16, AASB 116 and AASB 138)
- recognises related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer)
- recognises income immediately in profit or loss as the difference between the initial carrying amount of the asset and the related amount.

If a contract liability is recognised as a related amount above, the association recognises income in profit or loss when or as it satisfies its obligations under the contract.

• **Capital Grant**

When the association receives a capital grant, it recognises a liability for the excess of the initial carrying amount of the financial asset received over any related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer) recognised under other Australian Accounting Standards.

The association recognises income in profit or loss when or as the association satisfies its obligations under the terms of the grant.

• **Interest Income**

Interest revenue is recognised using the effective interest rate method.

Squash Rackets Association of Western Australia (Inc)
Trading as WA Squash
ABN 59 134 295 708

Note 1: Summary of Significant Accounting Policies (continued)

All revenue is stated net of the amount of goods and services tax (GST).

(g) Leases

The association as lessee

At inception of a contract, the association assesses if the contract contains or is a lease. If there is a lease present, a right-of-use asset and a corresponding lease liability is recognised by the association where the association is a lessee. However, all contracts that are classified as short-term leases (lease with remaining lease term of 12 months or less) and leases of low value assets are recognised as an operating expense on a straight-line basis over the term of the lease.

Initially the lease liability is measured at the present value of the lease payments still to be paid at commencement date. The lease payments are discounted at the interest rate implicit in the lease. If this rate cannot be readily determined, the association uses the incremental borrowing rate.

Lease payments included in the measurement of the lease liability are as follows:

- fixed lease payments less any lease incentives
- variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date
- the amount expected to be payable by the lessee under residual value guarantees
- the exercise price of purchase options, if the lessee is reasonably certain to exercise the options
- lease payments under extension options if lessee is reasonably certain to exercise the options and
- payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

The right-of-use assets comprise the initial measurement of the corresponding

Squash Rackets Association of Western Australia (Inc)
Trading as WA Squash
ABN 59 134 295 708

Note 1: Summary of Significant Accounting Policies (continued)

lease liability as mentioned above, any lease payments made at or before the commencement date as well as any initial direct costs. The subsequent measurement of the right-of-use assets is at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated over the lease term or useful life of the underlying asset whichever is the shortest. Where a lease transfers ownership of the underlying asset or the cost of the right-of-use asset reflects that the association anticipates exercising a purchase option, the specific asset is depreciated over the useful life of the underlying asset.

Concessionary Leases

For leases that have significantly below-market terms and conditions principally to enable the association to further its objectives (commonly known as peppercorn/concessionary leases), the association has adopted the temporary relief under AASB 2018-8 and measures the right of use assets at cost on initial recognition.

(h) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

(i) Trade and Other Payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

Directors Declaration

The director has determined that the Association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies prescribed in Note 1 to the financial statements.

The director of the Association declares that:

1. the financial statements and notes are in accordance with the *Associations Incorporations Act (2015)*:
 - (a) comply with Accounting Standards only to the extent described in Note 1 to the financial statements; and
 - (b) give a true and fair view of the company's financial position as at 31 December 2024 and of its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements.
2. in the director's opinion, there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the director.

Dated: 03/02/2025

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF SQUASH RACKETS ASSOCIATION OF WESTERN AUSTRALIA (INC)

Review Report on the Financial Report

Conclusion

We have reviewed the accompanying special purpose financial report of Squash Rackets Association of Western Australia (Inc) (the Association) which comprises the statement of financial position as at 31 December 2024, the statement of profit or loss, statement of cash flows and the statement of change in equity for the year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that:

The financial report of Squash Rackets Association of Western Australia (Inc) is not in accordance with the requirements of the *Association Incorporations Act 2015*, including:

- i) Giving a true and fair view of the Association's financial position as at 31 December 2024 and of its financial performance and cash flows for the year ended on that date; and
- ii) Complying with Australian Accounting Standards only to the extent disclosed in Note 1 to the financial report.

Basis of Accounting

Without modifying our conclusion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Association's financial reporting responsibilities under the *Association Incorporations Act 2015*. As a result, the financial report may not be suitable for another purpose.

Directors' Responsibility for the Financial Report

The Directors of the Association are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Association Incorporations Act 2015* and is appropriate to meet the needs of the members. This responsibility also includes such internal control that the Directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express a conclusion on the financial report based on our review. We conducted our review in accordance with the *Auditing Standard on Review Engagements ASRE 2415 Review of a Financial Report: Company Limited by Guarantee or an Entity Reporting under the ACNC Act or Other Applicable Legislation or Regulation*, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the financial report does not satisfy the requirements of *Division 60 of the ACNC Act* including: giving a true and fair view of the Association's financial position as at 31 December 2024 and its performance for the year ended on that date; and complying with the Australian Accounting Standards and the *Association Incorporations Act 2015*.

A review of an annual financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the Australian professional accounting bodies and the *Association Incorporations Act 2015*.

Interschool Competition

Thanks Josh Blakey

This was my first time running the interschool competition and I was quite nervous about how it was all going to run, but as I found out, it was a lot of fun.

“We had another very good final between Shenton college and Carine SHS, with Shenton winning by only 3 points in the last game!”

With a couple of late changes to the draws, we got underway on day 1 with the year 7-9 group and I personally saw some really good squash played, not only by the kids who were already familiar with squash but from the players who had only played squash a few times as well. The girls final between Ursula Frayne CC and Perth Modern was definitely a highlight for me.

We moved on to day 2 for the year 10-12 group, feeling slightly more confident in the way things would work. We had a few sudden death points in the first couple of rounds which was exciting for everyone playing and watching. The rain then started pelting down on the roof which made it hard to hear marker and referee calls but also sounded like a cheering crowd. We had another very good final today between Shenton college and Carine SHS, with Shenton winning by only 3 points in the last game!

Finally, thank you to Healthway and Fuel to Go & Play for their support and positive messages about consuming healthy food and drink. All players were offered a Fuel to Go & Play water bottle and free fruit.

All in all, I had an amazing time running this tournament with the help of Serena Richardson and I can't wait to do it all again next year.

WA State Junior Individual and Team Championships

Thanks Tournament Director Luke Jamieson

The individual's event took place over 29 and 30 June at the Squash WA headquarters in Belmont, entries were at a 10 year high of 73 entries with 139 matches played.

Daniel Marsh delivered an exceptional performance in the U19 Boys division, demonstrating complete dominance throughout the tournament. He played three matches, winning all of them in straight games. Over these matches, Daniel contested 130 points, winning 99 of them for a remarkable 76% point won rate. His performance showcased an extraordinary level of skill and control.

Hannah Slyth claimed the U19 Girls title with a flawless display of squash. She also won all three of her matches in straight games, mirroring Daniel's impressive feat. Coincidentally, Hannah contested the same number of points—130—and achieved the same 76% success rate, winning 99 points over her tournament. This remarkable coincidence highlights the exceptional talent of both our U19 champions.

“Daniel Marsh delivered an exceptional performance in the U19 Boys division, demonstrating complete dominance throughout the tournament.”

In the U17 Boys division, Andreas Christou emerged victorious after a hard-fought final against Eric Marsh, winning 8-11, 11-7, 11-8, 11-7 in a match that lasted 33 minutes. Sydney Ennis took the U17 Girls title, dropping only one game throughout her tournament campaign.

Alex Marsh delivered a thrilling performance in the U15 Boys division, staging a dramatic comeback to defeat Jacob Curry in five games with scores of 9-11, 9-11, 11-7, 11-5, 11-3 and take the u15 title.

Lucas Curry triumphed in the U13 Boys category with a decisive win over Mark Black, finishing 11-2, 11-4, 11-7 in just 12 minutes. In the U13 Girls division, Teagan Scott secured the U13 title with an impressive victory over Ella Clark, winning 11-5, 11-5, 11-4, also in 12 minutes.

Results

GU17.....	Sydney Ennis	Jessica Jellis
GU19.....	Hannah Slyth	Isla Harris
Novice.....	Ashar Farooq	Saim Farooq

The Zone Teams event then followed over 1 and 2 July, featuring the top juniors from the four zones. After the first day's competition, South and North emerged as the leading zones and faced off for the

top spot. In a hard-fought contest, South claimed victory and the first place medals. The final standings were 1st South, 2nd North, 3rd Country, and 4th Central.

“Another unsung hero of the event was Marmion parent Alex Clark, who rolled up his sleeves to help out at the Tournament Director’s desk.”

A big thank you to the team managers and coaches - this tournament is truly one of the most unique in our state. Special recognition goes to North’s Linda Towill and Country’s Julie and David Chiarenza, who were thrown in the deep end as they made their debut as managers/coaches for this year's event but did a FABULOUS job.

Another unsung hero of the event was Marmion parent Alex Clark, who rolled up his sleeves to help out at the Tournament Director’s desk. Alex learned all about what it takes to run a tournament including celebrating the wins and learning about how we can do things better next year.

Congratulations to our two Fairest and Best winners, who were very deserving of this prestigious award. The boy’s Chas Renner award went to Leo Van Straaten from Bunbury, and the girl’s Joyce Barnett award went to Ada Marshall from Cambridge.

This year's WA Junior State Titles not only highlighted the exceptional talent of our young squash players in Western Australia but also set a new benchmark for future tournaments.

1st place - South (Blue Gum and Belmont)

2nd place - North (Marmion and Mirrabooka)

3rd place - Country (representation from Kalgoorlie, Geraldton, Busselton, Moora, Mandurah, Bunbury and Leschenault)

4th place - Central Champs (Vic Park and Cambridge)

Australian Junior Open, Oceania Junior Championships and Trans-Tasman

Thanks Josie Jones, Teagan Scott, Hannah Slyth, Isla Harris, and Daniel Marsh

After the dust had settled and the juniors were back to their everyday lives - school, work, training, etc., we caught up with five of the superstars that made their way over to the other side of the country to compete in three major tournaments on the junior squash calendar.

1. How were feeling in the days leading up to the events?

Josie: Leading up to the start of competition, for me it was all about distracting myself. This was my first AJO/OJC, so I knew nerves were going to be an issue, my process was just do my best to ignore them until I needed them on court!

Teagan: Mum didn't tell me I was going until I pulled my broken glasses out the day before at squad training and she said, "You can't take THEM to Melbourne!" At first, I thought it was just one tournament of a few days, but then I realised that it was 7 days of squash with at least 2 or 3 matches per day!

"I was feeling confident about the hard work and effort I had put into training before leaving Perth, so I was keen to showcase my progress on court."

Hannah: In the days leading up to the tournament, I was very excited. Not only was I eager to reunite with my interstate squash friends whom I hadn't seen in a few months, but I also felt confident about the venue I was competing at as I had played and trained at MSAC many times prior. Additionally, I

was feeling confident about the hard work and effort I had put into training before leaving Perth, so I was keen to showcase my progress on court.

Isla: Leading up to the event I was feeling very nervous as I had some tough matches first up but also excited about the opportunity to play those players.

Daniel: Leading up to the AJO, OJC and Trans-Tasman I, was feeling great about my body and how I was playing and knew I was able to handle the 10 days

of constant matches. Getting closer to the event, a few nerves kicked in with a bit of pressure to perform and get close to the final.

Was the experience what you were expecting?

Josie: Being my first time, most of my expectations were based on my experiences at AJC, and these tournaments didn't disappoint. It was great being able to catch up with people I've met at AJC and get to know some of the international players from Malaysia and New Zealand. With 7 days of competition, my expectations of being absolutely knackered by the time I got home were also not let down!

Teagan: I was definitely not expecting to play on the glass exhibition. Playing with a white ball was pretty weird but I managed to win 3-1 and the referee let me keep the ball as a souvenir!

"I was definitely not expecting to play on the glass exhibition (court)!"

Hannah: The experience exceeded my expectations due to the increased number of international players at both the AJO and OJC, resulting in a much higher tournament level than it has been in previous years. This was particularly beneficial for me as a junior, as it provided valuable opportunities to gain experience by competing against stronger opponents.

Isla: I've been to AJOs/OJCs before, so I knew that there would be a lot of players coming from overseas and quality Australians playing as well.

Daniel: The tournaments were a bit more eventful than what I was expecting, there was much more on-court drama, and a higher level of pressure for many kids to perform. The AJO and OJC were what was expected, but with the added glass court made it a bit more dramatic as all the attention mainly goes there. The Trans-Tasman was definitely better as it was filled with a team environment where everyone knew everyone and got around them and fully supported each other.

What was the best part of the whole trip?

Josie: I really loved just being able to play a few new and interesting people. In Perth we are quite isolated from the rest of the squash community over East so having another opportunity to play eastern states athletes as well as people from New Zealand, Malaysia and other countries was really great.

Teagan: The best part of the trip was catching up with my friends from Queensland, Victoria, and New South Wales. We don't get to see each other very often so we all had a swim in the wave pool

after our matches each day. Two of us had a birthday during the tournament so it was fun to buy my friend an embarrassingly large helium balloon to walk around with!

Hannah: The highlight of the trip was representing Australia in the Trans-Tasman Test series. It's a privilege to compete for my country, especially alongside supportive teammates and coaches who make the experience even more enjoyable. Moreover, bonding with the New Zealand team over dinner provided a valuable opportunity to form new connections and friendships.

Isla: The best part of the trip would be being able to play new players from overseas that I have not come up against before and to have Sue Hillier there to assist me during my matches as I

usually don't have somebody coaching me.

"The best part of the trip would be being able to play new players from overseas that I have not come up against before."

Daniel: The best part of the trip was representing Australia in the Trans-Tasman test match against New Zealand. It was by far the best experience with a team's event I have had so far in my squash career. There is something about it, like you're playing for something more than yourself, your country. It gives you an edge, to perform no matter what's happening. My first match of this event was against Freddie a player I lost to the day before in 4. I was the last match on court that day and even though I lost in 5 in a 60 minute 5 setter. The effect of the team cheering you on is something special and definitely a special event, as they ride every call, every point.

"There is something about it, like you're playing for something more than yourself, your country."

What did you learn/what do you feel you need to now focus on?

Josie: I think the big thing I took away from the tournament was the level of intensity that you get. Especially with things like the Trans-Tasman rivalry and the announcement of the national junior team to go to the world juniors at the end of the week, everyone competing has something to prove; not a single player

was willing to do anything less than their best. It's that sort of intense, competitive environment that is hard to recreate during training or weeknight pennants!

Teagan: I learned that not everyone plays the same way. Some of my opponents from overseas would scream after every point and it really put me off, but I am more used to it now and hope that it won't affect me so much next time. Sue Hillier coached me in all of my matches and helped me a lot. Thanks Sue!!

Hannah: I gained valuable insights from playing against stronger opponents in the tournament, in particular I noticed a big difference between the men's game I play in pennants and in-house leagues in Perth compared to the junior girls' I compete against in interstate and international tournaments. Moving forward, I'll focus on gaining more experience on court as well as adding more shot options to handle the challenges posed by higher-level competition.

Isla: Being up in Moora, most of my training sessions are solo so I will be focusing on being more disciplined and training with purpose every time I train. I also need to work on looking at my opponents and work out a game plan and focus on it during the game.

Daniel: For the future, learning how to play the game when your game isn't working and how to play in general. Still many baby steps needed to be taken to reach a higher potential.

What's next?

"This is my first year managing a zone team so I would love to score a win with my debut squad!"

Josie: Next, I'm definitely looking forward to the state junior titles. That's the next big event on the junior calendar and it's always a good opportunity to see where you stand with everyone else and how you've improved year to year. The teams event is also always great fun. This is my first year managing a zone team so I would love to score a win with my debut squad!

Teagan: Next is the Mandurah Open tournament, the Geraldton Open and the Kalgoorlie Open. I would like to do well in the State Championships and make it into the WA State Team that gets to go to Sydney later in the year. That way I can catch up with my interstate friends again!

Hannah: The results from AJO and OJC were important events for the Squash Australia officials to choose the top 6 boys and girls in Australia that will compete in the World Junior Championships in Houston, Texas in July. It would be a great honour to wear the green and gold again on another world stage tournament, competing alongside the best players from around the globe.

Isla: Next up for me will be the Squash Australia training camp. I will then be competing in the WA Open PSA Challenger event.

Daniel: World Juniors in Texas, AJCs in Sydney, and hopefully a return to the Scottish and British Junior Opens.

Australian Junior Championships

We entered this tournament as underdogs, and while we may not have emerged victorious, our performance was anything but a loss. We were put through our paces in the teams event, scraping 4th spot in both divisions by a few games, so it's fair to say that as a team, we left everything on the court.

Most of the days of individual comp were long and tiring; 8-hour days watching and supporting all the WA players as they battled it out on court with their weapons of choice. Much of the team achieved success, credit to the support of everyone. Whether it was a big upset or a personal accomplishment, we celebrated every victory. Aidan and Daniel got handy with their cameras and put their skills on show to capture action shots of the event.

After a hard day at the courts, there was always good cheer back at the accommodation- countless hands of cards, a dip in the ice-cold pool, or a cheeky nap before dinner; we savoured our time to recover and switch off before the next day.

This year, we achieved commendable results, with Daniel reaching the final, and Isla and Aiden securing third place finishes.

Regardless of results, the team put in a stupendous effort and should all be extremely proud of themselves. Except for you Aiden, especially for being a Tottenham Spurs supporter. (this message was privately endorsed by none other than Chelsea supporter, Paul Kershaw and Tim even though his football team hasn't won anything either).

After four gruelling days of individual competition, we emerged from the sheds, our spirits a bit battered but unbroken. With renewed determination, we rallied our forces and charged headlong into the challenge of the teams event. Our division one team faced all four states in two days with little respite from the courts with Div 2 scoring an afternoon bye and a well-deserved break. From our U13s all the way through to 19s, each and every player gave it their all, we cannot fault everyone's dedication to the team. The support that WA rallied for our fellow teammates was phenomenal and it was so great to see everyone getting behind each other. This was also our first year with an official mascot- a big shout out to Jess who slaved away for over a year to carefully craft our very own wasp.

"Each and every player gave it their all, we cannot fault everyone's dedication to the team."

Courtside antics were in full swing from day dot- the rivalry between WA and QLD still aflame as we began marking our territory with "GO WA" left all over the place (not limited to players themselves) and assuming custody of the shark. We cannot disclose the exact location of said fish who will hopefully return home to the state centre where it can finally have the opportunity to swim out the rest of its life. Although, our mascot was not safe from our eastern states rivals, with several rescues being conducted over the course of the week.

2024 AJC has been a truly memorable experience for all team veterans, and first time representatives, it was a week filled with squash, the odd bit of golf, cards, shark thievery, 50 million loads of washing and hopefully a lot of fun for everyone. As captains, we are both immeasurably proud of the campaign we were lucky enough to lead this year.

We look forward to next year's event, as there are sure to be a few revenge arcs to plot and after this year's shenanigans a mascot to protect with your lives!

Signing off as your friendly campsite washing wenches and 2024 State Team captains,
Josie and Daniel

World Junior Championships

Hannah Slyth and Daniel Marsh were chosen to represent Australia as part of the national team competing in the 2024 WSF World Junior Championships in Houston, Texas.

Daniel Marsh finished up in position 53 out of 140 male players and Hannah Slyth position 51 out of 101 female players.

Now getting amped up for the teams event, Hannah shared, "I'm happy with my performances on court so far and I'm feeling very excited to play alongside my friends in the teams event. I'm hoping that my solid performances this week will put me as the no. 1 in the team." 🥳

The Australian team finished 12th in the men's event and 11th in the ladies. Not a bad effort considering there were 26 nations in the mix.

West Coast Open

Thanks Luke Jamieson

We felt the heat at the 2024 West Coast Open which was held over three scorching days from 16 to 18 February. Saturday and Sunday reached a sweltering 37 and 43 degrees!

Hosted by Squashworld Cambridge, one of the tournament's highlights showcased the newly returned to Perth Arthur Law who came out guns blazing against Remi Young, winning an unforgettable five-setter. It was a showdown to remember!

A huge congratulations to Mike 'Moose' Corren and Jo Hitch on their well-deserved titles - an inaugural title for Jo.

With a record-breaking 148 entries, last year's total of 147 was exceeded, marking this edition as a success. The tournament featured 13 divisions for men, women, 35+ (Masters), juniors and novice juniors - something for everyone.

The tournament was an AJST (Australian Junior Squash Tour) Silver event which meant national ranking points were up for grabs. Young gun Daniel Marsh dominated with a 3-0 victory over Andreas Christou, and in the girls, Josie "Southpaw" Jones secured a compelling 3-0 win against Joey Scott .

"One of the tournament's highlights showcased the newly returned to Perth Arthur Law who came out guns blazing against Remi Young, winning an unforgettable five-setter."

A novice junior event was run over three hours on Saturday morning. The youngsters enjoyed a second chance on every serve with a modified T and service boxes. Huge congratulations to Cambridge Squash Club's Charlie Tear for taking out the title, and Runner Up Leo Ferguson who drove up all the way from Busselton Squash Club with buddies Lucy and Oscar to compete!

Massive thank you to Southpaw and Board Member Katy Scott for doing a fantastic job running presentations, to Leigh, Serena and Roxy in the Squash WA office for all their hard work leading up to the event, and Cambridge Squash Club for ensuring players and spectators were kept well-nourished.

Running a tournament is no mean feat, however we pulled it off once again. I was ably assisted by Southpaw and my son Lockie who showed maturity and initiative far beyond his years.

A final thank you to those who do the job that everyone dreads - the Referees Neil Butler, and our special guest David Cowell, who came over from Victoria for the event. Congratulations to Tim Cowell for hosting the 2024 West Coast Open - we wish you success in your new endeavour as a court owner.

WA Open International

Thanks Josie Jones (17), Tournament Director

"This was the first time Lockie and I were on our own, running the desk with (nearly) zero parental supervision, and we certainly went big for our debut; really big. If 318 matches weren't enough to keep us busy there was plenty of questions to answer, courts to fill and Rubik's cubes to solve!

It took us a little while to sort out our system, and a few early hiccups- nothing better than having people hunt you down to fix something while in the middle of a match! - but by Saturday afternoon we had everything down to a fine art.

This was definitely a great experience, stressful, but great. I've helped out on the desk a few times before but now being at the forefront of the operation, the pressure was on and I think the two of us crushed it!"

Thanks Lockie Jamieson (16), Tournament Director

"The competition united some of the most talented individuals globally."

"It was such a delight for me to run the WA Open squash tournament as it was so fulfilling and brought lots of excitement along with challenges. The competition united some of the most talented individuals globally as there were others who participated in the PSA who held top 80 positions globally, making for an air full of enthusiasm. A lot was contributed by Josie Jones together with me, hence making a large difference in this success."

Australian National Championships

Australia's top-ranked players rose to the challenge at the Australian National Championships at the State Squash Centre by taking out both the men's and women's titles.

Joseph White broke through for his first National Title with victory over Rhys Dowling, while Jess Turnbull made it three in a row in downing Alex Haydon.

Alongside the PSA Open event, a number of Graded competitions were held over the weekend.

"Joseph White broke through for his first National Title."

Congratulations to everyone who competed, especially the West Australians who placed:

- Men's PSA Plate - Daniel Marsh
- Women's A Grade - Fiona Whooley
- Men's A Grade - Jamie Herring
- Women's B Grade - Katherine Tonkin
- Men's B Grade - Brendan Marsh
- Women's C Grade - Teagan Scott
- Men's C Grade - Ashton Clement
- Men's D Grade - Craig Taggart

WA State 35+ (Masters) Championships

Thanks Steve Jones

The WA State Masters tournament was held at the State Centre in Belmont on the 19-20th July 2024.

This prestigious tournament has been running since 1982, a wonderful 43 years of history to date, with many notable winners. The tournament is unique in that players are age based rather than ability based, which means you may get to play anyone! This only occurs in Masters and Juniors on a yearly basis so is a special tournament.

“Ray Villaroya holds the record for the most titles (Men’s and all time) with 26, and Joyce Barnett holds the record for the most titles (Women’s) with 17!”

2024 Tournament Summary:

- We had 93 entries – 66 men / 27 women – playing 167 matches – 124 men’s matches / 43 women’s matches
- Titles were awarded for 18 of the possible 20 age divisions
- First time winners –
 - Tim Cowell, Matt Sanders,
 - Roisin Brennan, Tracey Tapley, Lisa Christou & Fiona Whooley
- Notable milestones
 - Danny Zande – 15th title
 - Ray Villaroya – 26th title, since 1995, so 26 out of 30 years!
 - Khris Wiacek – 10th title
 - Sue Hiller – 13th title, but 10th title in a row (2015-2024)
 - Tony Cottis – 2nd title, 1st title was 19 years ago (2005)
- Interesting stories
 - Jane Hunt & Sue Hiller’s last match against each other was 44 years ago, aged 16. Long time to wait for a rematch!
 - Longest game was 28-26 between Ray Villaroya and Vic Thomas, as part of their five-set marathon. Combined points for the match was 150, just short of their combined age of 159!
 - Tony Cottis won his 2nd title, 19 years after his first title in 2005.

Fun facts on the history of tournament:

- There have been 132 individual winners and 321 titles won in the Men’s competition
- There have been 88 individual winners and 251 titles won in the Women’s competition
- Ray Villaroya holds the record for the most titles (Men’s and all time) with 26
- Joyce Barnett holds the record for the most titles (Women’s) with 17

Only 12 players (4 men, 8 women) have won 10 or more titles in the 43 year history:

Men’s	Ray Villaroya	26	(last 2024)
Women’s	Joyce Barnett	17	(last 2023)
Women’s	Sue Voltzke	15	(last 2017)
Men’s	Danny Zande	15	(last 2024)
Women’s	Sue Hillier	13	(last 2024)
Men’s	Chas Renner	12	(last 2018)
Women’s	Anne Richards	11	(last 2019)

Women's.....	S McBride.....	11	(last 1995)
Women's.....	Yvonne Trotter	10	(last 2016)
Women's.....	Joan Dreghorn	10	(last 2017)
Men's	Dan Mossenson	10	(last 2018)
Women's.....	Kris Wiacek	10	(last 2024)

Only two players (1 men, 1 women) have successfully dominated their age bracket, ie won 5 years in a row.

Men's Ray Villarroya

- 2005 to 2014 (65-69 years / 70-74 years) – 10 years in a row!
- 2020 to 2024 (80+ years)

Women's.....Sue Hiller

- 2018 to 2022 (55-59 years)

State Grade

In 2024, State Grade Pennants became the State Premier League.

On Wednesday 3 July, the Spring season semi-finals took place. The Mirrabooka Stars managed to pull through against the Blue Gum Sharks in a 5-setter between Dylan Classen and Daniel Hartigan to decide it all.

The grand finale took place the following evening, Thursday 4 July, and the pressure was on. In the end, the Mirrabooka Stars took down trophy defenders Belmont Brahma Financial Services at the WA State Centre in Belmont.

“Mirrabooka Stars took down trophy defenders Belmont Brahma Financial Services.”

The Autumn Season saw Belmont Brahma Financial Services and Blue Gum Sharks competing for gold after the semi-finals on 21 and then 27 November.

MIR	vs	BFS
LEWIS CHRISTIE	1 - 3	HEDDWYN BRAHMA
PASCALE LOUKA	1 - 3	RENATO RODRIGUES
GRANT HARDWICK	0 - 3	COOPER KENNEDY

BMS	vs	BFS
DANIEL MARSH	3 - 0	HEDDWYN BRAHMA
GAV SUTHERLAND	2 - 3	RENATO RODRIGUES
TRISTAN LEWIS	0 - 3	COOPER KENNEDY

Blue Gum Sharks were victorious in the end:

BLUE & GUM

GRAND FINAL 24		
BGS	vs	BFS
FRANCOIS VORSTER	2 - 3	HEDDWYN BRAHMA
DANIEL HARTIGAN	3 - 1	RENATO RODRIGUES
ERIC GRAY	3 - 0	COOPER KENNEDY

Country Week

Thanks Jamie Herring

The September long weekend saw 186 regional players arrive in the ‘big smoke’ for the largest tournament in Australia – the WA Country Teams Championships. 13 towns were represented from across the State (Bunbury, Busselton, Esperance, Geraldton, Kalgoorlie, Karratha, Katanning, Leschenault, Mandurah, Manjimup, Moora, Narrogin, and Wongan Hills) forming 8 men’s grades and 3 ladies grades.

For the second straight year running the recent format change continued with around 50% of first round matches kicking off at 6.00pm on Friday night and the tournament running through until last finals matches concluded around 5:00pm on Sunday evening. This allowed enough time for some ‘freshening up’ before dinner was served and then followed shortly after by presentations for the champion clubs/teams of each respective grade. With presentations out of the way, lots of socialising, an extremely competitively contested ‘coin toss extravaganza’ and plenty of dancing took place under a beautifully lit marquee area in Squashworld Mirrabooka’s outside grassed area.

“The September long weekend saw 186 regional players arrive in the ‘big smoke’ for the largest tournament in Australia.”

A huge thanks to this year’s Country Week Steering Committee (CWSC) for their time and effort toward the event organisation, Mirrabooka Squash Club volunteers for working tirelessly across the whole weekend in the canteen and at Sunday night’s dinner, Squashworld Mirrabooka for hosting, Neil Butler for refereeing, Luke Jamieson as Tournament Director and our sponsors for their generous support!

As noted in the closing speeches, Deb Hoffrichter, Jeremy Church and Jamie Herring will depart the CWSC after serving for two years as volunteers. If you or anyone at your regional club has a passion to help continue to build upon what has been established by the CWSC to date, and work with the members staying on for next year, please ensure you reach out to Squash WA!

Bring on 2025’s event!!

WA Closed

The 2024 WA Closed took place at the State Squash Centre under the guidance of first-time Tournament Director (and Board Member) Kim. Long-time Tournament Director, and WA Closed Tournament Referee Luke Jamieson worked with Kim to develop the draws and schedule the matches. On the day Kim required minimal assistance and ran an incredibly smooth event.

With a late surge of players entering, the tournament successfully drew 131 participants, resulting in 192 exciting matches. The turnout and energy created an incredible atmosphere throughout the competition days.

A Novice event was held with nine entries so a 3-pool round robin was constructed. Some impressive skill was on display with some of these kids reaching great heights some day! The winner of the event was Mirrabooka's Felix Giuffre, runner up Moora's Joel Harris, and third place went to Marmion's Parker Romanelli. Sportsmanship awards were also presented to Mirrabooka's Lillian Gallemore and Liam Wright. Huge thanks to Serena and Caleb for running this event, as well as the older juniors and parents who supported the players with marking and refereeing.

"Ella Clarke's exquisite sportsmanship on and off court was a perfect example to her junior peers and adults alike."

The much anticipated match of the century between Greg Laurence and Paul Ratcliff unfortunately didn't eventuate. These two gentlemen once fought for the top WA spot for many years, and we were all hoping for an epic rematch, but will have to wait for the next 35+ event!

The Player of the Tournament was awarded to the delightful Ella Clarke whose exquisite sportsmanship on and off court was a perfect example to her juniors peers and adults alike.

The matches of the tournament? It would have to be the three-way tie in pool 2 of the Ladies Open. All of these matches went to five!

...and the winners were..
